## Typical Product Specifications & Properties

# MG-132

CAS Number: : 133407-82-6

| Specifications   | Limits                                                                                                                                                                                               |
|------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Molecular weight | 475.62                                                                                                                                                                                               |
| SMILES           | <chem>CC(C)C[C@H](NC(=O)[C@H](CC(C)C)NC(=O)[C@H](CC(C)C)NC(=O)OCc1ccccc1)C=O</chem>                                                                                                                  |
| InChI            | TZYWCYJVHRLUCT-VABKMULXSA-N                                                                                                                                                                          |
