## Typical Product Specifications & Properties

# 2-methyl butyl amine

CAS Number: : 96-15-1

| Specifications     | Limits                                                                                                                                                                     |
|--------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Specific gravity   | 0.77700 to 0.77900 @ 25.00 °C                                                                                                                                              |
| logP (o/w)         | 1.28                                                                                                                                                                       |
| Appearance         | colorless to yellow clear liquid                                                                                                                                           |
| Assay              | 95.00 to 100.00 %                                                                                                                                                          |
| Pounds/Gallon      | 6.465 to 6.482                                                                                                                                                             |
| Refractive Index   | 1.41700 to 1.42300 @ 20.00 °C                                                                                                                                              |
| Boiling Point      | 92.00 to 96.00 °C. @ 760.00 mm Hg                                                                                                                                          |
| Vapor Pressure     | 52.400000 mm/Hg @ 25.00 °C                                                                                                                                                 |
| Flash Point        | 38.00 °F.TCC                                                                                                                                                               |
| Odor               | fishy                                                                                                                                                                      |
