## Typical Product Specifications & Properties

# 4-Isothiazolecarbonitrile, 5- ((cyanomethyl)thio)-3- (propylthio)-

CAS Number: : 135489-11-1

| Specifications     | Limits                                                                                                                                                                              |
