CAS Number: : 1398048-80-0

Specifications	Limits
Chemical Structure	 <p>The chemical structure shows a complex polycyclic system. It features a central fused ring system with a nitrogen atom (N) in a five-membered ring. There are several hydroxyl groups (OH) attached to the structure, including one on a side chain and others on the rings. The structure is drawn with stereochemistry, using wedges and dashes to indicate the three-dimensional arrangement of atoms. A watermark for 'parchem fine & specialty chemicals' is visible in the background.</p>
