Typical Product Specifications & Properties

6-O-Trityl-D-mannopyranose

CAS Number: : 130289-28-0

Specifications	Limits
Chemical Structure	 The chemical structure shows a D-mannopyranose ring with a trityl group attached to the 6th carbon. The trityl group consists of a central carbon atom bonded to three phenyl rings. The mannopyranose ring is in a chair conformation with the trityl group in the endo position. The structure is labeled with 'H', 'O', and 'N' atoms and includes stereochemical wedges and dashes.
