## Typical Product Specifications & Properties

# Anethole

CAS Number: : 104-46-1

| Specifications     | Limits                                                                                                                                                                     |
|--------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Density            | 0.991 (2020 c)                                                                                                                                                             |
| Very Soluble       | in water                                                                                                                                                                   |
| Odor               | wh. cryst. or lt. yel. liq. above 23 c, anise odor, sweet taste                                                                                                            |
| Melting Point      | 22.5 c                                                                                                                                                                     |
| Chemical Structure | <br> |
| Flash Point        | 90 c                                                                                                                                                                       |
| Refractive Index   | 1.557-1.561                                                                                                                                                                |
| Molecular weight   | 148.22                                                                                                                                                                     |
| Boiling Point      | 235.3 c                                                                                                                                                                    |
