## Typical Product Specifications & Properties

# Benzenaminium, 4-(ethoxycarbonyl)-N,N,N-trimethyl-, 1,1,1-trifluoromethanesulfonate (1:1)

CAS Number: : 124915-06-6

| Specifications     | Limits                                                                                                                                                                                                       |
