## Typical Product Specifications & Properties

# Enprofylline

CAS Number: : 41078-02-8

| Specifications     | Limits                                                                                                                                                                     |
|--------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Molecular weight   | 194.1906                                                                                                                                                                   |
| Assay/Purity       | Typically NLT 98%                                                                                                                                                          |
