

Typical Product Specifications & Properties

Europium-148

CAS Number: : 14981-86-3

Specifications	Limits
Chemical Structure	 <p>The chemical structure of Europium-148 is a complex polycyclic molecule. It features a central ring system with several hydroxyl groups (OH) attached. A nitrogen atom (N) is also present in the structure. The molecule is shown with stereochemistry, including wedged and dashed bonds. A watermark for 'parchem fine & specialty chemicals' is visible in the background of the structure.</p>
