## Typical Product Specifications & Properties

# Hexyloxypropylamine

CAS Number: : 16728-61-3

| Specifications      | Limits                                                                                                                                   |
|---------------------|------------------------------------------------------------------------------------------------------------------------------------------|
| Molecular weight    | 159.27                                                                                                                                   |
| EINECS              | 240-793-2                                                                                                                                |
| Molecular weight    | 340.41                                                                                                                                   |
| EINECS              | 216-823-5                                                                                                                                |
| SMILES              | <chem>C(c1ccc(cc1)OCC1CO1)(c1ccc(cc1)OCC1CO1)(C)C</chem>                                                                                 |
| InChI               | 1S/C21H24O4/c1-21(2,15-3-7-17(8-4-15)22-11-19-13-24-19)16-5-9-18(10-6-16)23-12-20-14-25-20/h3-10,19-20H,11-14H2,1-2H3                    |
| InChIKey            | LCFVJGUPQDGYKZ-UHFFFAOYSA-N                                                                                                              |
| Storage Temperature | 2-8&deg;C                                                                                                                                |
| Water solubility    | Soluble in 100% ethanol, dimethyl sulfoxide (100 mM), dimethyl formamide, chloroform, methanol, and ethanol (50 mM). Insoluble in water. |
| Melting Point       | 40-44 &deg;C                                                                                                                             |
| Refractive Index    | 1.5735                                                                                                                                   |
| BRN Number          | 299026                                                                                                                                   |
