## Typical Product Specifications & Properties

# 2-Piperidineacetic acid, 1-[(1,1-dimethylethoxy)carbonyl]-

CAS Number: : 149518-50-3

| Specifications     | Limits                                                                                                                                                                   |
