

Typical Product Specifications & Properties

Silicon

CAS Number: 7440-21-3;

Specifications	Limits
Chemical Structure	 <p>The image shows the chemical structure of Silicon (Si) as a central grey sphere with four smaller white spheres (Hydrogen) attached to it. Below this is the Parchem logo, which consists of two interlocking grey circles above the word "parchem" in a lowercase, sans-serif font, with "fine & specialty chemicals" written in a smaller font underneath.</p>
