Section 2. Hazards Identification

**Classification of the substance or mixture**

Not classified as a hazardous substance or mixture according to OSHA Hazard Communication Standard 1910.1200.

**Health Hazards:** No effects detrimental to health are known.

Section 3. Composition / Information on Ingredients

**Common Name** Fennel Seed Extract  
**Synonym(s)** Fennel Seed Powder Extract  
**CAS Number** N/A

COMPONENT	CONCENTRATION
Powder Extract	4:1

Section 4. First Aid Measures

No first aid measures are expected to be required.

Section 5. Firefighting Measures

**Special fire and explosion hazards:** None  
This is a non-combustible material.

Section 6. Accidental Release Measures

**Procedures for spill:** Mop up or sweep with absorbent.

Section 7. Handling and Storage

**Handling:** Ordinary handling and storage according to OSHA.  
**Storage:** Keep from light and moisture in cool and dry place.

Section 8. Exposure Controls / Personal Protection

Use normal workplace protective equipment.

Section 9. Physical and Chemical Properties

**Appearance:** Brown to yellow-brown

Section 10. Stability and Reactivity

No stability data available.

Section 11. Toxicological Information

No toxicology data available.

Section 12. Ecological Information

**Data on decomposition of the substance:** None  
The waste of the substance is not dangerous and harmful.

Section 13. Disposal Considerations

**Waste Treatment Methods:** Dispose of product and contaminated packaging in accordance with all local, state, and federal environmental control regulations.

Section 14. Transport Information

Not regulated for transport.

Section 15. Regulatory Information

No further information available.

Section 16. Other Information

**Disclaimer:** The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. The information in this document is based on the present state of our knowledge and is applicable to the product with regard to appropriate safety precautions. It does not represent any guarantee of the properties of the product.
